If you weren't involved in the theft of the Khafre Statue, who among the four of you do you think could have been involved?

Well, if I had to suspect someone from this group, I'd say it's Mr. <sup>1.</sup> \_\_\_\_\_. He had access to the museum's <sup>2.</sup> \_\_\_\_\_, where valuable <sup>3.</sup> \_\_\_\_\_ about the Khafre Statue was available. I heard that his assistant was with him for only 30 minutes and left before the <sup>4.</sup> \_\_\_\_\_ happened.
